

Announcement to all EMS Personnel

On September 13th from 11:00am until 1:00pm a meeting will be held at MidState Medical Center Conference Room IV. At this meeting Gary Tickey MD and Tom Russell will be finalizing the new MidState EMS Protocols. All EMS personnel who would like to give input into the protocols are encouraged to attend. If anyone has any suggestions and is not able to attend please write down your suggestions and forward to the EMS office for discussion on that day. If you are going to attend please review the protocols beforehand and be prepared with your comments. THIS IS THE ONE AND ONLY MEETING SO WE WOULD LIKE TO GET THROUGH ALL SECTIONS. When complete copies will be made for all EMS personnel. Gary Tickey and Tom Russell throughout November and December will then hold updates. The new protocols will have an implementation date of January 1, 2008.
