

Lawton-Gillooly Scholarship Fund

The Hunter's Golf Classic is held in the memory of William Lawton and Carol Gillooly, who lost their lives in the line of duty when struck by a drunk driver on September 2, 1989.

To date, over 323 recipients have benefited from monies raised through your support of the Hunter's Ambulance Golf Classic. These individuals, from cities and towns around the State, have been able to use the funds to pursue or further their education and training in the fields of Emergency Medical Services, healthcare, and related fields in their communities. The Memorial Fund provides financial aid for tuition, books, and license fees, as well as classroom space, office space and training equipment to various groups involved with the training and education of these individuals. In addition, the funds may be used for such other community events that would benefit local government, people in need, or other humanitarian efforts.
