Re: Transports of patients with chief complaint of ETOH - Middlesex County

Effective Immediately and Until Further Notice

Patients exhibiting signs and symptoms consistent with alcohol intoxication for hot or cold emergency calls originating in Middlesex County shall be transported to Middlesex Hospital ED (Not Rushford) for evaluation.

All other non emergent and scheduled transports (admissions and discharges) to and from Rushford shall be handled as requested.

These response guidelines are actively being reviewed by all interested parties and may be changed or adapted accordingly.
