Bill Lawton and Carol Gillooly

On September 2, 1989, Bill Lawton and Carol Gillooly were transporting a patient, as a course of their daily duties, with another fellow EMT. A drunk driver in a pickup crossed the center line killing all but one person. To keep Bill and Carol's dream to serve those in need alive, Hunter's Ambulance started a memorial scholarship fund.

This fund is designed to support individuals who are seeking to become Emergency Medical Technicians by providing tuition reimbursement to those who qualify.*

To date these classes have trained over 450 individuals to become EMT's in the State of Connecticut.

* Reimbursement is available upon successful completion of this program.
