

Hunter's Ambulance 30th Annual GOLF CLASSIC

In Memory of William Lawton
and Carol Gillooly

The Hunter's Golf Classic is held in memory of Emergency Medical Technicians William Lawton and Carol Gillooly, who lost their lives in the line of duty when struck by a drunk driver on September 2, 1989.

Proceeds from the Golf Classic support educational programs, training programs, and fund financial awards for individuals pursuing or furthering their education or training in the fields of emergency medical services, healthcare, and related medical services.

Recipients of financial awards from cities and towns throughout the state have included 363 Emergency Medical Technicians, 27 Paramedics and 14 Nursing/Medical. The financial award provides aid to these recipients for their educational expenses, such as tuition, books, and license fees.

The Golf Classic proceeds also help offset the costs of providing classroom space, office space and equipment to various groups and programs involved with the training and education of these individuals. In addition, the funds provide financial support for such other community events that would benefit local government, people in need, or other humanitarian efforts.

Thank You

Your contribution has a life-saving impact!

THANK YOU to Last Year's
