# HUNTER'S AMBULANCE ANNUAL GOLF CLASSIC

## Why We Are Here...

Many may not recall what they were doing on the night of September 2, 1989. Some, however, remember like it was yesterday. Jose' Aguilar and Bill Lawton were training a new employee, Carol Gillooly, who was completing her last orientation shift prior to being released for regular duty: A call came in for the return of an elderly patient to his convalescent home in Colchester. This was not an emergency transport, but carried with it every element of the importance of patient care and responsibility. Bill, Carol and Jose' greeted the patient, moved and secured him in the ambulance, and the transport began.

In the darkness of this cool September night, Bill Lawton was driving the ambulance with all necessary due regard, protecting the four lives he had on board. In fact, just one week earlier Bill had completed a Defensive Driving Program being piloted by Hunter's Ambulance for adoption by the State of Connecticut. From Middletown to Portland and East Hampton through the twists and turns of Route 16, they innocently proceeded to their destination as they and many crews had done so many times before. Ahead of them and out of sight, a drunken man recklessly rocketed towards them going back and forth across the centerline. His pickup truck suddenly came into view around a corner in a blur of white lights.

The peacefulness of the crisp country air was shattered. The pickup truck crossed into the path of the ambulance from around the bend and hit the ambulance head-on at a high rate of speed. The two vehicles became one, exploding into flames. The flames crept ominously closer and closer into the twisted mixture of metal that was once an ambulance. As Bill fought for his life pinned in the cab of the ambulance, rescuers responded by air and ground, and came to the aid of their brothers and sister. They worked with strength and intensity almost beyond their human abilities. These life saving efforts were the very same skills that Jose, Bill and Carol had used to help and save the lives of many people before this night. The heart-wrenching, nearly overwhelming outcome was the loss of life of the patient and the caregivers Bill Lawton, EMT, and Carol Gillooly, EMT. Jose' barely survived and after a lengthy rehabilitation remained permanently disabled.

Words, both spoken and written, cannot do justice to the senselessness of the loss of these lives. Lives that were ripped away from the carelessness of one drunk driver. Lives that had committed themselves to helping others in need. This tournament mourns the loss of Carol and Bill. It is in their memory, and in the honor of their life saving spirit of “*Concern for Others*” that we are here.

To date over 343 recipients have benefited from monies raised through your support of the Hunter's Ambulance Golf Classic. These individuals, from cities and towns around the State, have been able to use the funds to pursue or further their education and training in the fields of Emergency Medical Services, healthcare, and related fields in their communities. The Memorial Fund provides financial awards to individuals for their tuition, books and license fees, as well as provides various groups involved in the training and education of these individuals with classroom space, office space and training equipment..

Thank You for your participation in this meaningful and worthwhile event.

# *In Loving Memory Of*

## *Barbara M. Hunter*

*July 18, 1932 to June 21, 2011*

Barbara will always be remembered for her love, kindness and genuine concern for everyone. She enjoyed taking the time to talk to those she met at work, social, community and family events. At these events you would always see Barbara with a smile on her face. Whether her conversations were short or long, you knew she truly cared about the person. She always took the time to listen and offer support, guidance and a gentle hand to hold.

Barbara honored the memories of William and Carol as she supported and enjoyed the fun-filled days of each golf tournament since its origination in 1990. She shared great camaraderie with the golfers and volunteers, wishing the golfers luck on the course and assisting the volunteers.

Barbara was there for all of us.

Besides her loving husband Vern, she is survived by her daughters: Diane Hunter-Kranich and her husband, Jim; Donna Hunter; Dana Hunter Moyer and her husband, Rick; and Debra Robertson; her sons: Dale Hunter; David Hunter and his wife, Janice; Dennis Hunter; her daughter-in-law Jeriann Hunter; 15 grandchildren: Jason, Matt, David Shaun, Sister Clare, Kara, Jacob, Francis, Nathan, DJ, Chelsea, Caitlyn, Jennifer, Marisa, Brianna and Isabel; and 4 great-grandchildren: Evan, Jordan, Lucas and Isaiah. She is also survived by godson Greg Hancock; goddaughter Sandy Fredericks; and several nieces and nephews. She was predeceased by her son Dan Hunter; her brother Stanley Hancock, Jr.; her sister Marie Hancock; and her grandson Aaron Hunter.

***We Love and Miss You! Until we meet again...***

# *In Loving Memory Of*

## *Dan M. Hunter*

*July 7, 1959—October 29, 2008*

*Executive Vice President and Chief Operating Officer for Hunter's Ambulance Service, Inc.  
and President of Hunter Limousines, Ltd. of Connecticut.*

In 1979, Dan Hunter joined the family business – Hunter's Ambulance – founded by his parents, Vern and Barbara Hunter in 1963. Following his parents' strong community oriented values, Dan learned the importance of providing emergency medical care to those in need. Through his perseverance, dedication to the community, and sincere desire to help others, he advanced his education in pre-hospital emergency medicine management attending numerous advanced courses throughout the country.

Dan always kept an eye open watching for those in need. Dan's desire to help others was evident in the many personal, community, charity and fundraiser events or challenges he assisted with and participated in. When he realized there was a need, he did not ask "Why did this happen?" He said, "What can I do to make a positive change?" When asking others for their assistance, he never accepted "No" as an answer. He found a way to help no matter how big or how small the challenge was! Others would rally around his inspiration to help others!

Dan unselfishly dedicated an insurmountable amount of hours, days, weeks (throughout his childhood and his adult life) to charity events, fundraisers, community functions....all to help others.

After William and Carol lost their lives during the tragic accident on September 2, 1989, Dan's overwhelming desire to honor William and Carol evolved into our Annual Golf Classic in their memory. This year is the 22nd Anniversary of that tragic event and today we participate in the 22nd Annual Golf Classic in their Memory.

***Dan's legacy of caring for others will always be remembered and carried on.***

*I thought I had no future. They thought differently.*

No one plans on having a near-death experience when they take a prescribed drug. I had a horrible reaction to my medication. My pancreas burst, and I needed surgery to remove my spleen and gallbladder. The doctors had little hope. To save my life, they put me in an induced coma. I woke up covered with surgical incisions and connected to all sorts of tubes. My doctor said I needed additional treatment for complex medical issues and rehabilitation. That's when I went to Gaylord Hospital. They stabilized my condition and helped me to walk and talk again. Thanks to the outstanding medical care I received at Gaylord, I have my life back!

## MIDSUN GROUP, INC.

**Midsun Group Inc.** offers a full line of exceptional products and services for the utilities industry, with a level of personal service simply unmatched by the "big" suppliers. If you have ever had to contact the "big" companies for customer service, application contracting or technical support, you probably were treated like a "client with a dollar amount attached". Not at **Midsun Group**. Because of our smaller size, we are able to provide to you excellence in professionalism, product knowledge, availability to our customers, courtesy, diligence, quality and immediate mobilization. We don't take for granted the companies that have put their trust in us. There is no such thing as a "former" **Midsun Group** client. We don't lose interest in you after the sale. Many **Midsun Group** clients have "client-specific" requirements for products and services. We don't try to make our products "fit". That's just not how we do business. Try getting that kind of service from the "big" companies. If you have a specific need, chances are we can create what you are looking for.
